

We've Re-branded

"We promise to continue to do what we do best, and that is to deliver our customers superior communications technology and services, now and for the future....."

At Exchange we've always prided ourselves on our innovative telecoms solutions, which keep us ***"In touch with technology"*** and at the forefront of today's ever changing communications marketplace.

With this in mind, we wanted to convey a stronger, more modern image, which we hope will reflect our commitment to you and our passion to move forward, grow and flourish in today's ever changing marketplace, both at home and abroad.

Our new company branding will roll out in the next couple of months and you should expect to see changes within company communications, i.e. stationery, email and to our website. Our postal address and phone number will remain the same and business is as usual.

With kindest regards,

Tom Sime
Managing Director
Exchange Communications Limited

A BIG Thank You!

And since it's not often that as a company we re-brand, on behalf of the whole Exchange team, I would like to say **"thank you"** to all of you who have supported us and helped us grow!
